

# trade & upgrade

## trade in & save on a new model ProCair

Why pay for service, repairs and spare parts when you can upgrade to the latest model ProCair and save? Take advantage of the all new features of our 2012 ProCair range and enjoy our two year warranty period.

Trade in your old alternating pressure mattress system for a discount on any new ProCair mattress system, to a maximum value of \$500. *Trade in value dependent on make and model of trade in product.*

*This offer is valid for any alternating mattress, working or not!*

Free foam Safety Underlay with every ProCair 5000 or 3000

### New ProCair advantages:

- + cord retention loops to keep power cords safely off the floor
- + welded seams for enhanced infection control
- + enhanced labelling on control units and top covers
- + 2 year warranty
