

IT'S TIME FOR AN ANALOGUE

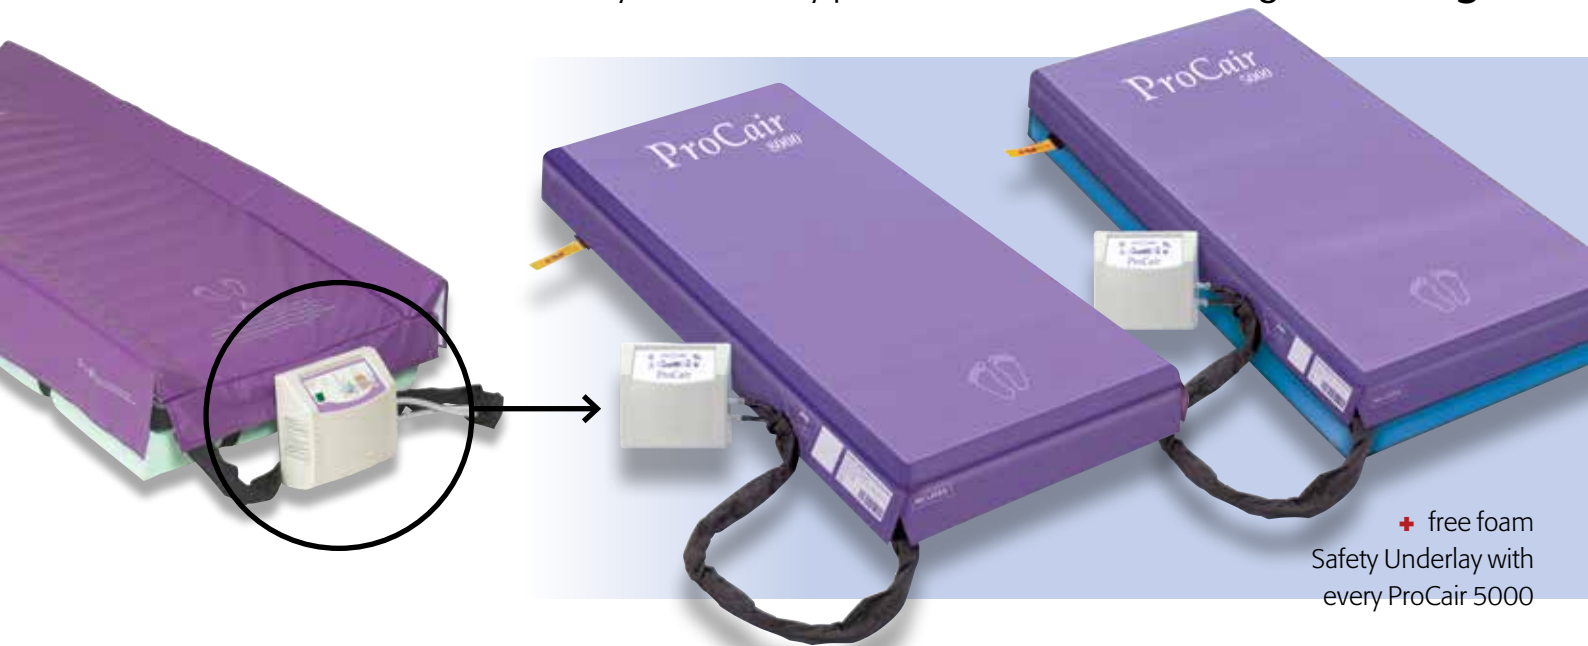

# Digital Upgrade

MASSIVE TRADE-IN DISCOUNTS

Why pay for service, repairs and spare parts when you can upgrade to the latest model ProCair and save?

Trade in your outdated analogue ProCair for a discount on a new digital ProCair system and enjoy a two year warranty period.

Valid for all analogue ProCair mattresses, working or not! **Better yet, purchase any 3 units and get *free freight*.**

+ free foam Safety Underlay with every ProCair 5000

Digital Upgrade Model	Trade-In Discount
<b>ProCair 5000</b>	<b>\$250</b>
<b>ProCair 8000</b>	<b>\$350</b>

### Digital ProCair advantages

- + automatic static to alternation mode after 20 minutes, to minimise risk of injury
  - + 5 individual audible and visible alarms
  - + 2 year warranty
- + digital push button controls for weight adjustment and mode
  - + panel lockout feature (deal for residents with dementia)
- + cord retention loops to keep power cords safely off the floor
  - + welded seams for enhanced infection control
  - + enhanced labelling on control units and top covers

Terms & Conditions: Offer available until 31 March 2017. Standard payment terms and freight charges apply; please contact Medistore for a custom freight quote.
